NO CHANGE

PON VIDYA MANDIR SR. SEC. SCHOOL, the dream project of Pon Foundation came into existence in the year 2009. The beginnings though modest, the goals are big. The aim of the foundation is to design an institution which would in future become a beacon for excellence in education. The philosophy of the school believes in the holistic development of every child. Pon Vidya Mandir Sr. Sec. School is an amalgamation of the best educational philosophies and pedagogy aimed at providing world class education right from kindergarten through primary to senior secondary education.

Individual attention is given to the pupils with the aim of chiseling them to be confident, inspired individuals trained for leadership and for shouldering higher responsibilities in life.

• VISION & MISSION

NO CHANGE

OUR VISION

The school aims at developing the total personality of the child to make him/her a better citizen of tomorrow, by imbibing in him/her the qualities of leadership, reverence for Indian culture, regard for elders and respect for the noble ideals and norms of society. We are of the firm belief that as an institution dedicated to the cause of education, we must help children to:

- Have a sense of pride in our rich cultural heritage, ancient wisdom and value systems that will go a long way to face the challenges of tomorrow.
- Recognize their potential and shape them into confident, responsible, balanced and multifaceted individuals with well-groomed personalities.
- Set high ambitions in life and encourage them to passionately pursue their goal with steadfastness.
- Become lifelong learners, gain knowledge, think, question, apply, innovate and be in control of their lives and at all times.

OUR MISSION

Our endeavour is to equip every child with all the life skills necessary for a scintillating future and to face the world with self esteem and self confidence. Hence our mission statement is "Let Every Child Blossom."

- **CHINMAYA VISION PROGRAMME**

NO CHANGE

CHINMAYA VISION PROGRAMME

The Chinmaya Vision Programme (CVP) has its roots in Poojya Gurudev Chinmayananda's vision of education. Swami Chinmayananda was not only a legendary saint but also a visionary with a clear insight. CVP insists on "Yatha Dristi Thatha Srishti." To one whose vision is narrow, the world appears narrow and on the contrary to one with a vision, infinite are the potentials in the world. CVP aims at gifting our children with the right vision and right attitude to make them achieve success with greater peace and happiness and ultimately transform as ideal citizens displaying the role of humanity on the earth.

- Integrated Development of the child(i.e. physical, mental, intellectual and spiritual)
- Indian Culture
- Patriotism
- Universal Outlook

Swamiji saw children as builders of future. He designed and organised CVP to teach children principles of our religion and culture and help them realize their innate potential in the light of dynamic spirituality.

Today's academic education is merely 'a lot of information' on many subjects. But, in reality, education has the larger purpose of transformation of the individual. Hence CVP's 'education with a vision' becomes more relevant in the present scenario.

A judicious combination of academics and cultural and value education is the purpose of CVP. The programme complements academic excellence by giving the child an added dimension of learning values to make Vidyalayas true vidya- alayas i.e., temples of learning. CVP aims to lead all children to evolve with outstanding and lasting character and achievement. CVP is concretisation of education with integration of intellectual and spiritual development with a perfect blend of patriotism and universal outlook.

CVP :

Enshrines the philosophy of education

Nurtures physical, mental, intellectual and spiritual growth

Helps discover inherent divinity

Integrates and exposes to Indian culture

Creates dedication and commitment

Imparts universal holistic view of life

Thus

Unfolds the child to blossom

CVP will be implemented in our school from this academic year which will have a significant bearing on the children in their successful future and a harbinger of good fortune.

WHY PON VIDYA MANDIR?

(UPDATE CONTENT)

There are umpteen reasons for the parents to choose Pon Vidya Mandir Sr. Sec. School as an ideal school for their children. We have listed a few amongst them.

- Well-qualified, well trained, committed teaching fraternity.
- State of the art infrastructure in the form of well-equipped labs for science and languages.
- Opportunity for the students to realize practically the theoretical concepts learned with hands on experience.
- Abundant opportunities are provided for the students to showcase their inherent talents in ways of club activities and General Assemblies.
- Student-centered learning focusing on the needs of learning styles, placing the teacher as an adept facilitator of learning. Accordingly suitable modifications have been incorporated in the design of the curriculum, course content and interactivity of courses.
- As seeing visually what they learn will enable the students to gain knowledge what long hours of lecturing cannot do so, field trips are a part of our curriculum. The field trips are for all grades, well designed with hand-picked locations and spread throughout the academic year.
- No formals for students from Pre Primary upto grade V.
- **THE HINDU READING PROGRAMME:**
Staying abreast with current affairs, both nationally and internationally is of paramount importance. To ensure our students are enlightened in current affairs we have subscribed to The Hindu student edition. We have developed a unique method wherein it is mandatory for the students to find answers to questions based on a particular day's newspaper and submit to class teacher. Prizes are awarded at the end of each month for students who have submitted the answers regularly throughout the month. This is to make the students develop the habit of reading newspapers regularly which would reap them the benefits later on in their career as after all, 'Rome was not built in a day.'
- **Every child on stage:**
At Pon Vidya Mandir Sr. Sec. School every child is important. As a proof of this it is seen that every child pursuing studies at Pon Vidya Mandir Sr. Sec. School is on stage during the school events such as Sports Day and Annual Day. Every child is given an opportunity, on a rotational basis to present the Thought for the day, render Thirukkural, readout the day's headlines which would be instrumental in liberating them from stage fear. To promote communal harmony and

unity among all, we also make children to read from The Bible, The Quran and The Bhagavad Gita.

- A well knit and well maintained fleet of buses for a safe and comfortable transport.
- A perfect, comfortable hostel facility with all required amenities, separate for boys and girls is available where the parents can absolutely leave their children in our reliable care. The students are adequately taken care of and also have the privilege of having study hours under supervision of teachers.

IMPORTANCE OF SPORTS

- All work and no play make Jack a dull boy. Sports are imperative in any educational institution to have fine musculature and a supple body. Moreover, to develop a sound mind, a sound body is essential.
- Growing children require regular physical exercises, games and sports, not only to enhance their vitality but also to develop team spirit and sportsmanship. Valour, courage and fortitude to face adversities in life are also inculcated through sports.

CARNIVAL OF EUREKA

- Children are budding scientists and our aim is to ignite their minds, to promote scientific temper, our school organizes carnival of eureka to bring out the latent talent and bringing out the curiosity of the child. Here we give opportunity to the child to explore the scientific world.

YOUNG CREATORS' DAY

- Our children are inspired by exposing themselves to child prodigies to show that age is no bar for achievement. We also instill the never die and never give up spirit by associating with great people.

- **PIVERB**

MAJOR EVENTS OF THE YEAR

ELECTIONS

To expose the students to the intricacies involved in our parliamentary democratic system, students elect their own prefect board through **election** every academic year. The election procedure is an exact simulation of our general polls which involves filing of nomination by the contestants, release of manifesto by contestants, vigorous campaigning, registering of ballot by the students, counting and result declaration, investiture ceremony etc.

KARGIL DAY

Patriotism is a vital virtue which must be deep rooted in young minds. In our school, we observe **Kargil Day** in commemoration of the heroic deeds of our soldiers and to kindle the patriotic feelings in students and to make them good, law abiding Samaritans. We also conduct contests like Inter House Patriotic songs and skits to arouse the feeling of oneness and patriotism.

SPORTS DAY

To prove our students are proficient in all spheres, **Sports Day** is celebrated and competed by our students.

TEACHERS' DAY

Teachers' Day is celebrated at Pon Vidya Mandir where the School Prefect Board organizes various programmes on that day in honour of the teachers.

SCIENCE EXHIBITION

To spark one's imagination about Science and to kindle the spirit of Science in the children, Science day is being celebrated. The **Science Exhibition 'Carnival of Eureka'** in which the students exhibit new concepts with working models is organized in a big way. Children are budding scientists and our aim is to ignite their minds, to promote scientific temper, our school organizes carnival of eureka to bring out the latent talent and bringing out the curiosity of the child. Here we give opportunity to the child to explore the scientific world.

CHILDREN'S DAY

On this day teachers of Pon Vidya Mandir present a variety of events to entertain the children.

ANNUAL DAY

The most eagerly awaited event, both by parents and children is the **Annual Day**. This day is more special due to our school philosophy of "Every Child On The Stage".

SKMSA CHESS TOURNAMENT

The prestigious annual **SKMSA (Smt. Kannammal Memorial Sports Academy) Tournament** on any one sport is organized in the school campus every year in the month of January. Enthusiastic participants from various private and government schools in the district take part in the tournament. Attractive prizes are distributed to the victorious players.

YOUNG CREATORS' DAY

Young Creators' Day for the students of LKG to grade V is celebrated in the month of January every academic year. On this day the young tender children present the concepts learnt in their curriculum in various forms like recitation, skit, chart display, narration, role play and demonstration. Parents and guests are invited to witness the presentation.

Our children are inspired by exposing themselves to child prodigies to show that age is no bar for achievement. We also instill the never die and never give up spirit by associating with great people.

CLUBS AND ACTIVITIES

To inculcate various life skills like collaborating, planning, organizing and executing, four clubs namely Art Club, Sports Club, Health Club and Eco Club have been functioning in the school. Each club has its own agenda of promoting their goals.

COMPETITIONS

To exhume the talents in individuals, **competitions** are conducted for the students covering a spectrum of subjects and topics. To inculcate the team spirit among students and enhance their talent in working in teams, inter house competitions are conducted. Students of Pon Vidya Mandir are provided ample opportunities to participate in interschool competitions and state level competitions.

FIELD TRIPS

To understand, co-relate and co-ordinate theoretical knowledge and practical reality, numerous **field trips** are organized for all age specific groups.

WORK SHOPS

Workshops are organized for teachers for updation of recent trends in education and teaching/learning methodologies by experts in the education field. Students are also involved in workshops which require presence of children which also motivate them to formulate their path of success.

Periodic **workshops** are conducted for parents to constantly update them on subjects relating to their ward's studies and keep them informed of the various new opportunities prevalent.

CAMPS

To reinforce the knowledge of students and orient them in all aspects, a **multitude** of camps are organized.

Students have the freedom of choosing any one of the above mentioned extracurricular activities.

• SPORTS

SPORTS

“A healthy mind in a healthy body.”

Pon Vidya Mandir, believes in physical development for mental development.

All work and no play make Jack a dull boy. Sports are imperative in any educational institution to have fine musculature and a supple body. Moreover, to develop a sound mind, a sound body is essential.

Growing children require regular physical exercises, games and sports, not only to enhance their vitality but also to develop team spirit and sportsmanship. Valour, courage and fortitude to face adversities in life are also inculcated through sports.

In Pon Vidya Mandir, ample opportunities are provided for students to be healthy physically. The school has a vast playground, where not only games like football, cricket, volleyball, throw ball, handball are played but also games like Kho-Kho, athletic events like long jump, high jump, sprint events, field events like shot put, discus, javelin, etc. are conducted.

Every year, on the Independence Day, sports day is conducted. Every child participates. From class V onwards the competitors from the four houses Agni, Vayu, Pirthvi and Akash give their best to get maximum points for their respective houses. In the school time table, regular games classes are given. The students learn team spirit which is a vital part of personality of a student. They learn how to be disciplined in their approach to a task on the field and off the field. The students also learn the various skills necessary for the game.

The students are given opportunities to participate in inter-school competitions, where the students get to see teams from other schools participate in events. This gives the students an opportunity to show case their talent.
